Pope Francis has established 1st September as the World Day of Prayer for the Care of Creation, encouraging the Catholic community around the world to pray for our common home. The day is inspired by Pope Francis' landmark encyclical *Laudato Si'*, which calls on "every person living on this planet" to care for our shared Earth. He calls us all to celebrate this opportune moment to "reaffirm [our] personal vocation to be stewards of creation, to thank God for the wonderful handiwork which he has entrusted to our care, and to implore his help for the protection of creation, as well as his pardon for the sins committed against the world in which we live."

A permanent fenced pit lane has been erected, reducing the street to a single lane and there are no longer any parking bays. The one-way system with traffic flow from Princip St running up to Old Snowhill means it is not possible to turn into Shadwell St from Old Snowhill/Constitution Hill or to exit the car park to the right. To enable access to the Cathedral Car Park, vehicles will have to drive past the front of the Cathedral, turning left onto Newtown Row then left on to Princip St & Shadwell St. We will keep you updated of any further developments.
