Please do all you can to share this information with those who might not have access to a computer. Live stream might remain the best way for many to access Mass.

New Features on the Cathedral Website –

Please take the time to look at the new items on the website: Time to Reflect and the video assemblies for our parish primary school.

Thank you to all those who have sent in offerings and donations in respect of the live streaming and the fact that the Cathedral has had no income since the middle of March.
