Please look at the booklet that is on the St Chad's Cathedral website and which you may download, especially looking at themes of the month and patterns within the Scriptures.

New Ways of Giving: We are grateful for the donations that you have made during the time of lockdown. We also acknowledge that these have been times of uncertainty and hardship for some. We have introduced a **card payment machine** at the back of the Cathedral and in Cathedral House reception. If you wish, you may also set up a standing order. If you would like more details about how to set up a **Standing Order** in place of the weekly collection, please email Margaret.regan@rc-birmingham.org We will regularly publish some of the key statistics to keep you all informed, but please do contact Margaret in the finance office if you have any questions or speak to Fr Tim.

Living our life of faith during Lockdown – We are more ready than last time for what the weeks ahead will hold. That does not necessarily make them easier, but we can sense how our life of faith will look: livestream Mass and other devotions and the need to make our home a place where we are at one with God.

Sometimes people struggle to pray: don't know where to start, which words to begin to pray.

The surest way to begin prayer is with thanksgiving to God for his blessings, including the gift of life itself at a time when life is fragile for so many.

Then, the intention to pray for others which will always be easier than praying for ourselves. Let us pray for one another, for our families, for the Church and for the world.

Please continue to pray for vocations to the priesthood and the diaconate.

If you feel that God might be calling you to particular ministries within the Church, please visit www.vocations.org

Official NHS QR Poster for Test & Trace

- We have now displayed our official NHS QR Code poster at the entrance doors into our Cathedral. Maintaining records of staff, parishioners and visitors, and displaying an official NHS QR poster, helps NHS Test and Trace to identify and notify people who may have been exposed to the virus. The NHS COVID-19 app has a feature that allows users to quickly and easily 'check in' to any venue by scanning the code and you then do not have to write down your details. If there is an outbreak associated with our Cathedral, a message will be sent to the relevant app users with the necessary public health advice. This will help to avoid the reintroduction of lockdown measures and support the country to return to, and maintain, a more normal way of life. For those who do not have the NHS COVID-19 app, please continue to bring a piece of paper with their name and phone number written on it and place it in the container provided for this purpose when you come to Mass. If someone wishes to attend Mass and has not written down their details but is happy to provide them, a steward may (while observing social distancing) write those details down and put them in the container.

The CCTV System operates 24 hours a day. This is in place for the safety of people, protection of property and crime prevention.

Inquiries: 0121 230 6216 / 0121 230 6201

Please switch off mobile phones when in Church.

An Induction Loop System is provided. Please switch your hearing aid to the 'T' position.

The programme for Private Prayer in the Cathedral will be:

Tuesday – Saturday - From 1.30pm – 4.00pm.

Recognising the need for our staff to have rest days, the Cathedral will be closed on Sundays and Mondays.

WE HAVE BEEN ADVISED IT IS COMPULSORY FOR ALL THOSE COMING IN TO THE CATHEDRAL TO WEAR SOME FORM OF FACE COVERING WHICH YOU BRING YOURSELF.

At present, we must inform you that the following conditions remain in place at the Cathedral:

No toilet facilities

No lighting of votive candles

No signing of Mass cards

No distribution of Holy Water at doors or for home

No gathering for conversation

You are asked to cooperate fully with the staff and stewards who will show you to a designated seat in the Cathedral.

The capacity for seating in this new arrangement in the Cathedral is **50 individual seats**.

The safety of those who come as well as the safety of our staff is our highest priority at this time.

Please do not come to the Cathedral if you present any symptoms of the coronavirus or are living in a house with anybody who presents symptoms.

Every person entering the Cathedral is asked to take personal responsibility for respecting social distancing and the wellbeing of others as well as themselves. Please cooperate with the test & trace procedures when coming to the Cathedral. **NHS Test and Trace** is a key part of the country's ongoing COVID-19 response. If we can rapidly detect people who have recently come into close contact with a new COVID-19 case, we can take swift action to minimise transmission of the virus. **The NHS COVID-19 app** has a feature that allows users to quickly and easily 'check in' to your venue by scanning the code. The information stays on the user's phone. In England, you do not have to ask people who choose to 'check in' using the official NHS QR code to provide their contact details. If there is an outbreak associated with a venue, a message will be sent to the relevant app users with the necessary public health advice. By maintaining records of staff, customers and visitors, and displaying an official NHS QR poster, you will help NHS Test and Trace to identify and notify people who may have been exposed to the virus. This will help to avoid any further reintroduction of lockdown measures and support the country to return to, and maintain, a more normal way of life. You can read further information on [how NHS Test and Trace works](#).

We continue to pray for the health of our Cathedral congregation and the health of the people of our Archdiocese. Let us continue to pray for each other.

CAFOD launched its coronavirus emergency appeal

on 30 April. The effects of coronavirus on developing countries where CAFOD works are likely to be devastating. Families without enough to eat and without access to clean water and healthcare are particularly vulnerable to coronavirus. The poorest and most marginalised communities will be pushed further into poverty. Your prayers and gifts are needed now more than ever to help protect the lives of those in poor communities. You can donate as individuals at cafod.org.uk/coronavirusappeal or as a parish community via your own parish coronavirus appeal.
