

CATHEDRAL SVP

There was an appeal at all Masses this weekend for people to come forward who are interested in learning more about forming an SVP Group ("Conference") in this parish.

If you weren't here this weekend – or if you were but didn't put your name down and have now reconsidered – please contact Andy Gudge of the SVP on 07855 824434 or email andygudge@blueyonder.co.uk.

There will be two Information Sessions in October to tell people more about the SVP and what membership involves. One of these will be on an evening remote, using Zoom, and one of them will be face-to-face at the Cathedral on a Saturday. It would be helpful if you could let Andy know which type you would prefer to attend.
